三、阅读理解（每题 6 分，共 30 分）

Amy is a pupil in Grade Five. She likes green life. Every week, she and her classmates collect old newspapers and empty bottles at school.

On Fridays, they take the old things to a recycling station. The workers there turn the old newspapers into new paper, and turn the empty bottles into new bags.

Amy also plants trees with her father in spring. She waters the small trees every week. “We should save water and plant more trees,” Amy says. “Then our city will be green and clean.”

Now many children in Amy's school do the same things. They all want to make the Earth a better place.

21. What do Amy and her classmates collect every week?（　　）

A. Old newspapers and empty bottles.　　B. Old clothes and shoes.

C. Books and pens.　　D. Toys and balls.

22. What do the workers turn the old newspapers into?（　　）

A. New bags.　　B. New paper.　　C. New books.　　D. New clothes.

23. When does Amy plant trees with her father?（　　）

A. In spring.　　B. In summer.　　C. In autumn.　　D. In winter.

24. What does Amy do for the small trees every week?（　　）

A. She waters them.　　B. She cuts them.　　C. She draws them.　　D. She sells them.

25. Why do the children want to make the Earth a better place? 请用自己的话回答。（写一两句英文或中文均可）

四、小短文写作（30 分）

请以“My Green Habits”为题，写 5—6 句话介绍你平时保护环境的好习惯（比如节约用水、回收旧物、种树）。

提示词：recycle, save water, plant trees, turn into, every day
